

# Leaf Rainbow Print

Challenge yourself to create your own version of a rainbow. If you want to identify your leaf, visit [texastreeid.tamu.edu](http://texastreeid.tamu.edu).

Make a rainbow of leaves using found leaves, paint and paper.

## Supplies

- Leaves
- Paint
- Brush
- Water to rinse brush
- Paper or other surface you want to paint

## Basic Steps

Observe the trees and their leaves in your yard, neighborhood or local park. Find leaves you like.

Get enough leaves for the number of paint colors you chose.

Paint the back of a leaf.

Press the painted leaf on your paper and pull up.

Continue with each chosen color.

Add other illustrations or decorations as you prefer.

Bonus - Identify and label your leaves.
