

**ANNUAL REPORT
FISCAL YEAR 2008**

**RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM
(HB 3667)**

I. OVERVIEW

The Rural Volunteer Fire Department Insurance Program (House Bill 3667) was established in 2001 by the 77th Texas Legislature. The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation, death, and disability insurance for firefighters. The program is funded through the Rural Volunteer Fire Department Insurance Fund (Fund 5066), which is composed of revenue collected from a two-percent tax on the retail sale of fireworks under Tax Code Chapter 161.

The program receives oversight from the HB 3667 Advisory Committee, an appointed body of private citizens. This Committee recommends the annual cost-share rate to be offered based upon revenue forecasts and the forecast enrollment of firefighters.

The program is administered by the Texas Forest Service.

II. ACTIVITY

The budget allocation to the Rural Volunteer Fire Department Insurance Program was estimated at \$850,000 for FY 2008. The actual amount collected by the Rural Volunteer Fire Department Insurance Fund (Fund 5066) during the period 9-1-2007 through 8-31-2008 was \$1,177,390.43. The Texas Forest Service has the authority to allocate the total amount collected during the period, and any unused balance is transferred to an unexpended balance forward account maintained by the State Comptroller's Office.

The HB 3667 Advisory Committee recommended providing a maximum grant of \$75 per enrolled firefighter in FY 2008. The grant reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the grant maximum.

The Texas Forest Service conducted open enrollment beginning in November 2007 and allowed enrollment to remain open through August 31, 2008.

III. STATUS

The following cost-share grants were awarded in FY 2008:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Firefighters Covered</u>	<u>Grant Funds Allocated</u>
428	11,423	\$856,725

The attached summary presents the individual disposition of grant funds in FY 2008.

IV. PLANS FOR FY 2009

The HB 3667 Advisory Committee has recommended that the reimbursement rate for FY 2008 be set at \$75 per enrolled firefighter. This is the same as the FY 2008 reimbursement rate. This will be implemented with open enrollment scheduled to begin in January 2009.

V. EFFECTIVENESS

This is a highly effective program. Enrollment has increased from 6,786 enrollees in FY 2003 to 11,423 enrollees in FY 2008.

Maximum Grant Reimbursement Rate Per Fiscal Year:

FY 2003	\$80.00 per firefighter
FY 2004	\$70.00 per firefighter
FY 2005	\$70.00 per firefighter
FY 2006	\$70.00 per firefighter
FY 2007	\$75.00 per firefighter
FY 2008	\$75.00 per firefighter

The Texas Forest Service has continued to improve the effectiveness of the program by designing an efficient application and award process for volunteer fire department applicants.
