

## **ANNUAL REPORT FISCAL YEAR 2010**

### **RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM (HB 3667)**

#### **I. OVERVIEW**

The Rural Volunteer Fire Department Insurance Program was established in 2001 by the 77<sup>th</sup> Texas Legislature (House Bill 3667). The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation, death, and disability insurance for firefighters. The program is funded through the Rural Volunteer Fire Department Insurance Fund (Fund 5066), which is composed of revenue collected from a two-percent tax on the retail sale of fireworks under Tax Code Chapter 161.

The program receives oversight from the HB 3667 Advisory Committee, an appointed body of private citizens. This Committee recommends the annual grant reimbursement rate to be offered based upon forecast revenue and the forecast enrollment of firefighters.

The program is administered by the Texas Forest Service.

#### **II. ACTIVITY**

The budget for the Rural Volunteer Fire Department Insurance Program was set at \$1,000,000 for FY 2010. The actual amount collected by the Rural Volunteer Fire Department Insurance Fund (Fund 5066) during the period 9-1-2009 through 8-31-2010 was \$ 1,222,280.38. The Texas Forest Service has the authority to allocate the total amount collected during the period. Any unused balance is transferred to an unexpended balance forward account maintained by the State Comptroller's Office.

The HB 3667 Advisory Committee recommended providing a maximum grant of \$85 per enrolled firefighter in FY 2010. The grant reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the grant maximum.

The Texas Forest Service launched open enrollment beginning in December 2009. Enrollment remained open through August 31, 2010.

### III. STATUS

**This was a record year for enrollment.** FY 2010 saw the highest number of departments participating and the highest number of firefighters covered by insurance in the program's history. The following reimbursement grants were awarded in FY 2010:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Firefighters Covered</u>	<u>Grant Funds Allocated</u>
440	11,736	\$824,579

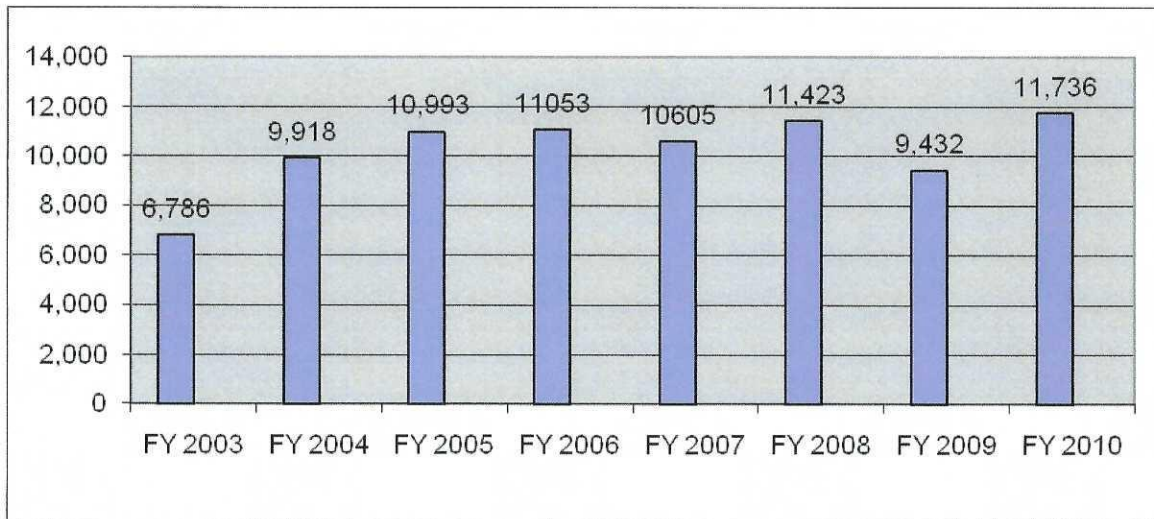

The attached summary presents the individual disposition of grant funds awarded in FY 2010.

### IV. PLANS FOR FY 2011

The HB 3667 Advisory Committee has recommended that the reimbursement rate for FY 2011 be set at \$95 per enrolled firefighter. This is an increase of \$10.00 over and above the FY 2010 reimbursement rate. This rate will be implemented with open enrollment scheduled to begin in December 2010. The objective of the higher reimbursement rate is to encourage and promote the acquisition of insurance coverage for more of the state's volunteer firefighters.

### V. EFFECTIVENESS

This is a highly effective program. Enrollment has increased from 6,786 enrollees in FY 2003 to 11,736 enrollees in FY 2010. Approximately 25% of all Texas volunteer fire departments apply for and receive grants for purchasing insurance coverage for their members under this program.

**Maximum Grant Reimbursement Rate Per Fiscal Year:**

FY 2003	\$80.00 per firefighter
FY 2004	\$70.00 per firefighter
FY 2005	\$70.00 per firefighter
FY 2006	\$70.00 per firefighter
FY 2007	\$75.00 per firefighter
FY 2008	\$75.00 per firefighter
FY 2009	\$75.00 per firefighter
FY 2010	\$85.00 per firefighter
