KEVIN FOWLER PSA (30 seconds)

_Smokey Bear says, “Play it smart”,
‘Cause all it takes is just one spark
_A little common sense can go a real long way,
_So don’t mess around and burn Texas down._

Howdy everybody, Kevin Fowler here, and you know that I love spending time in the great outdoors. But we all need to be careful while we’re out there- 95% of all wildfires can be prevented. Whether you’re welding or parking in tall grass, a little common sense goes a real long way.

This public service announcement brought to you by Texas Forest Service.
