Burning Ban Flags

The Texas A&M Forest Service has offered these flags for many years, in hopes that they become a recognizable image to the public, a signal to stop outdoor burning and begin conserving water. They are for sale on a nonprofit basis.

When we experience extended periods of hot, dry, windy weather, counties implement bans on outdoor burning as a wildfire prevention tool. To support this prevention effort, TFS posts a list of counties with burning ban on the TFS website.
